Morehead Old Time Music Festival (MOTMF)  
re: MOTMF selling non-festival owned merchandise

**Artists and musicians (sellers) can sell their merchandise at the Merchandise Table during the festival weekend.**

Sellers will need to provide a small sign (i.e postcard). The sign will include the following info:

**product price**

**seller's name**

**product title (i.e. CD album title).**

These products will be displayed, along with their sign, at the Merchandise Table located in the stage area. The volunteers managing the merchandise table will sell products and provide profits gained back to the seller either at the end of the Festival (Saturday night when the Merchandise Table closes), or when the seller decides to discontinue their products from being sold.

*Seller agrees to share 10% of his or hers profits with the MOTMF. These funds are directly invested in the festival and its continued, annual existence.*
